

# **Investigating how the radius of a simple pendulum affect its time period.**

Physics HL Lab Report 5

Eric Zhou

February 26, 2025

# **1 Introduction**

Introduction. to be filled.

## **2 Background knowledge**

## **3 Hypothesis and reasoning**

## **4 Experiment design**

### **4.1 Variables**

### **4.2 Materials**

## **5 Results**

### **5.1 Raw data**

## **6 Discussion and conclusion**

## **7 Evaluation**
